# CAMP BRAZIL

Leader:

Module: The Trail

**Lesson 1 - GOD EXISTS**

**Warm up:**

Did you know that when I was your age, cell phones were different? (fig 1.1) Every day new objects are invented, and do you know who invents them? What is an inventor? What does it mean to be an inventor? An inventor is a person who invents things that did not exist before. Can you tell me the name of some inventions? How is an invention made? How was this cell phone made? What do you think? I think you need a plan, a drawing, experiences, putting the pieces together. Do you think you need someone intelligent? And what do you think of heaven? Did somebody make it? And the earth? Was it someone's invention? How can we know?

**Trail map:**

Let's see what the Bible says: In the beginning God created the heavens and the earth. Genesis 1: 1 (fig.1.2). The Bible begins by saying that there is a God. But when was he created? The Bible also tells us: Before the mountains were born and the earth and the world were created, from eternity to eternity you are God. Psalm 90:2. What does it mean from eternity to eternity? What does eternal mean? Something that has no beginning nor end. So, God has always existed! Many people think that God does not exist, what do you think? How do you think God is? Without beginning or end, like this ring. (fig 1.3) He is the beginning and end of all things! (fig. 1.4) (Tell the children who God is to you).

**Packing:**

Prayer – Let's be thankful because God exists and he is more powerful than anything or anyone. Verse to memorize 1

***Before the mountains were born and you created the earth and the world, from eternity to eternity you are God.*** Psalm 90: 2

Mystery 1 - The mysterious voice.

On our trail there is a mysterious voice, a voice that has always been heard and is

still heard today.

* Whose voice is it?
* What does the voice say?
* Where is it heard?
* Who obeys it?
* How is it heard today?

**Lesson 2 - GOD CREATED HEAVEN AND EARTH THE FIRST DAY**

**Warm up:**

If you were the creator of all things, what would you create first? (Let the children exchange ideas, give yours as well.) Imagine that you are going to create a planet, what would be most important to do? Do you want to know what is most important? Want to know what God did first?

**Trail map:**

Let's see what the Bible says:

***In the beginning God created the heavens and the earth.*** Genesis 1:1. The heavens! Let's look outside. What do you see? Is the sky big? Do we see everything? No. And I think that when God created heaven, nothing could be seen. (fig. 2.1) Do you know how I know that? Close your eyes as if we were there and listen. (Read slowly) (fig.2.2). It was the formless and empty land; darkness covered the face of the deep, and the Spirit of God moved over the face of the waters. (fig. 2.3). *And God said, "Let there be light," and there was light. God saw that the light was good, and he separated the light from the darkness. God called the light "day," and the darkness he called "night." And there was evening, and there was morning—the first day.* Genesis 1: 2-5 (fig. 2.4). If everything was dark, how could anyone see? Can you see in the dark? And can God see in the dark? If He created in the dark, then He can! And then, ... God made the light! How did He make light? Just spoke to it? Can you turn on the light just by talking? Some houses already have remote voice control, but at that time it did not exist. It was just God's control. He's the greatest! After creating the earth, He created the light. Why is light so important? (Let them speak.) So let's thank God for the light!

**Packing:**

Prayer - God we thank you for making the heavens, the earth and the light so that all other things could exist and so that we can see everything around us. Verse to memorize 1

***Before the mountains were born and the earth and the world were created, from eternity to eternity you are God.*** Psalm 90: 2.

Mystery 1- The mysterious voice - Has anyone discovered the mysterious voice?

* Whose voice is it?
* What does it say?
* Where is it heard?

* Who obeys it?
* How is it heard today?

**Lesson 3 - THE SECOND AND THIRD DAY**

**Warm up:**

Do you know how the rain stays on the cloud without falling? It's the atmosphere. Air pressure prevents it from falling. (Crumple a sheet of paper and push it into the bottom of a cup. Place the cup upside down in a bowl full of water very quickly until the water covers it.) What happens to the paper? It does not fall into the water, nor does it get wet. This is the pressure of the atmosphere. It holds the paper, just like it holds the water in the sky. Water cannot get to the paper because the air is compressed between it and the paper. But who made the atmosphere?

**Trail map:**

Let's see what the Bible says: (fig. 3.1) ***Let there be a firmament in the midst of the waters that divides the waters from the waters. So God made the sky and it separated the waters that were under the firmament from the ones above. And so it was so. And God called the firmament heaven. So, the evening and the morning were the second day***. (fig.3.2) ***And God said, Let the waters under the sky be gathered together in one place, and the dry part may appear. And so it was. The dry part God called land, and called seas all the waters. And God saw that it was good.*** Genesis 1: 6-10. ***However, a steam rose from the earth and watered the entire face of the earth.***Genesis 2: 6 (fig.3.3). Then God said: Cover the land with vegetation: plants that give seeds and trees whose fruits produce seeds according to their species. (fig.3.4) ***And so it was. The earth made vegetation sprout: plants that give seeds according to their species, and trees whose fruits produce seeds according to their species. And God saw that it was good.The afternoon and the morning passed; that was the third day.*** Genesis 1: 6-13. God made our atmosphere that is made up of oxygen, which we breathe, a lot of nitrogen, which is necessary for life, and a little bit of carbon dioxide that plants breathe. After preparing the environment, God separated the land from the waters and then made the plants. Can you name some plants? God is the greatest genius ever! What do you think?

**Packing:**

Prayer - God thank you very much because you Lord made everything so perfect, there is no other God like you! Lord, you are powerful.

Verse to memorize 2

***How happy is he whose help is the God of Jacob, whose hope is in the Lord, in his God, who made the heavens and the earth, the sea and everything in them, and who keeps his faithfulness to ever!*** Psalm 146: 5,6.

Mystery 2 - The Invisible Cloak

* What cloak is this?

* What does it protect?

* What does it protect from?

* What is our cloak?

* How to stay protected?

**Lesson 4 - THE FOURTH DAY**

**Warm up:**

Do you know what the sun and stars are made of? They are made of gases. I will show you a type of gas. (Take half a glass of vinegar and put a teaspoon of baking soda and let the children watch.) This gas does not burn, but some types of gases do. The sun and stars are balls made of various gases that are burning. Do you know Who made the sun, moon and stars?

**Trail map:**

Let's see what the Bible says:

***My own hands stretched out the skies; I disposed of your army of stars.*** Isaiah 45:12. ***God said:*** (fig.4.1) ***There are luminaries in the firmament of the sky to separate the day from the night. Serve them signs to mark seasons, days and years, and serve as luminaries in the firmament of the sky to light up the earth. And so it was. Our calendar is solar, everything is marked by the position of the sun! (fig.4.2 & 3). God made the two great lights: the largest to rule the day and the smallest to rule the night; He also made the stars. God placed them in the firmament of heaven to illuminate the earth, to rule the day and the night, and separate the light from the darkness. And God saw that it was good. The afternoon and the morning passed;that was the fourth day.*** Genesis 1: 14-19.

Who made the sun, moon and stars? What is the sun for? Just to light up? What do we do during the day? And at night? The sun helps us to count our days and years too. (fig.4.4) (Insert a barbecue stick right in the middle of a sheet of paper on the ground, mark where the shadow is.) Tell the children to do this at home and mark it down at the same time everyday. Ask them to note the differences: it is the earth moving! How good it is that God gave us the sun!

**Packing:**

Prayer - God, thank you because you, Lord, gave us the sun to warm us up and the moon so beautiful to brighten up our nights.

Verse to memorize 2

***How happy is he whose help is the God of Jacob, whose hope is in the Lord, in his God, who made the heavens and the earth, the sea and everything in them, and who keeps His faithfulness to ever!*** Psalm 146: 5,6

Mystery 2 - The Invisible Cloak

* What cloak is this?
* What does it protect?
* What does it protect from?
* What is our cloak?
* How to stay protected?

**Lesson 5 - FIFTH AND SIXTH DAYS**

**Warm up:**

Play who remembers more names of animals and birds from A to Z. Try to fill all the letters. Do you know how many species of animals there are? More than 1 million species of animals, birds and insects. But, how did they come about?

**Trail map:**

Let's see what the Bible says: ***And God said, Let the water teem with living creatures; and let birds fly over the face of the expanding sky.*** (fig.5.1) ***And God created the great whales, and all the reptile of living soul that the waters abundantly produced according to their species; and every winged bird according to its species; and saw God that it was good. And God blessed them, saying, Be fruitful and multiply, and fill the waters in the seas; and the birds multiply on the land. And it was the afternoon and the morning, the fifth day. And God said:*** (fig.5.2,3) ***Let the land produce living creatures according to their kinds; cattle, and reptiles and beasts of the earth according to their species; and so it was. And God made the beasts of the earth after their kind, and cattle after their kind, and every reptile of the earth after their kind; and saw God that it was good.*** Genesis 1: 20-25.

What did God do on the fifth day? And the sixth? God made all animals, the way they are. (fig.5.4). God made fish that have their own flashlight, kangaroos that have their own bag, fish that jump, birds that dive, reptiles that change color, huge and tiny animals. Nature was almost complete! A paradise! God also made nature so that one species depends on the other to live. If we kill a species, we are messing up what God made so perfect! What do you think of this? Let's thank God for making everything so perfect.

**Packing:**

Prayer - Lord, we thank you for the animals and birds that make nature so beautiful and feed us, help us to take good care of all your creatures!

Verse to memorize 3

***God created man in his image, in the image of God he created him; man and woman created them.*** Genesis 1:27.

Mystery 3 - The Green Police

* Who are the green police?

* What is their motto?

* Who do they work for?
* What do they do?
* How can I be a green police?

**Lesson 6 - MAN AND GARDEN CREATION**

**Warm up:**

Have you seen the robots they are inventing? They walk, obey commands, dance, throw things, they are a masterpiece! Do you know what a masterpiece is? It's someone's best work. Do you know what God's masterpiece was?

**Trail map:**

Let's see what the Bible says:

***And God said, Let us make man in our image, after our likeness; and rule over the fish of the sea, and over the birds of the sky, and over the cattle, and over all the land, and over all reptile that moves over the land.*** Genesis 1:26. ***And the Lord God formed man from the dust of the earth, and breathed into his nostrils the breath of life; and man was made a living soul.*** Genesis 2: 7. ***And God created man in his image; in the image of God he created him; (fig.6.2). And the Lord God planted a garden in Eden, on the east side; and put the man he had formed there. And the Lord God made every tree to grow out of the earth, which was pleasing to the eye and good for food; (fig.6.3) and the tree of life in the middle of the garden, and the tree of the knowledge of good and evil. And a river came out of Eden to water the garden; ... And the Lord God took the man, and put him in the garden of Eden to plow and keep it.*** Genesis 2: 8-15 (fig.6.4).

God's masterpiece is man. He made him with his own hands and breathed His life into him. Are men like animals? How are they different? God made men in a special way. Did God make you too? Shall we thank him?

**Packing**

Prayer - Lord, thank you for making us so special, help us to be, again, like you, Lord.

Verse to memorize 3

***God created man in his image, in the image of God he created him; man and woman created them.*** Genesis 1:27.

Mystery 3 - The Green Police

* Who are the green police?
* What is their motto?
* Who do they work for?
* What do they do?
* How can I be a green police?

**Lesson 7 - WOMAN CREATION**

**Warm up:**

(Review everything God did). God did everything and every day He said that what He had done was good, but after God created man, God said something was not good, what will it be?

**Trail map:**

Let's see what the Bible says: ***And the Lord God said, It is not good for the man to be alone; I will make a suitable helper (that matches) for him. So when the Lord God had formed out of the ground all the wild animals, and all the birds in the sky, he brought them to Adam to see what he would call them; and whatever Adam called each living creature, that was its name. And Adam named all cattle and birds in the sky, and to every animal in the field; but for the man he was not found a suitable helper. Then the Lord God caused a heavy sleep to fall on Adam, and he fell asleep; and took one of his ribs, and closed the meat in its place (fig.7.2). And from the rib that the Lord God took from man, formed a woman, and brought her to Adam (fig.7.3). And Adam said, This is now bone of my bones, and flesh of my flesh; this will be called woman, because of the man she was taken. Therefore a man will leave his father and mother, and will cleave to his wife, and they will both be flesh. And both were naked, the man and his wife; and were not ashamed.*** Gn 2: 18-25 (fig.7.4) ***And God: Blessed them and said to them, Be fruitful and multiply, and fill the earth, and subdue it; and rule over the fish of the sea and the birds of the air, and over every animal that moves on the earth. And said God: Behold, I have given you every herb that gives seed, which is on the face of all the earth; and every tree, in which there is fruit that gives seed, will be yours for food. And to every animal on earth, and to every bird in the sky, and to every reptile on earth, in which there is a living soul, all green grass will be for food; and so it was. And God saw everything he had done, and, behold, it was very good; and the evening and the morning were the sixth day.*** Gn 1: 28-31.

God realized that it would not be good for man to be alone. Did he make the woman immediately? What did he wait for? For Adam to feel the need. Does God know our true needs? Can he supply them? When? What do we really need? Shall we pray about it?

**Packing**

Prayer - God thanks because you, Lord, know what we need and you help us realize what we really need. Help us also to wait for your time, knowing that you will supply each of our needs.

Verse to memorize 4

***Everything has its own time, and there is time for every purpose under heaven.*** Ecclesiastes 3: 1.

Mystery 4 - God's clock

* Who has this clock?
* Is it time the same as ours?
* How does it work?
* What happens when we do things in our time?
* Can we advance the time on that clock.

**Lesson 8 - THE SEVENTH DAY**

**Warm up:**

(fig.8.1) Shall we make an agenda? Each one makes a list of things they want to do during the day and, beside of it, how many hours they want to spend doing that. Whatever they would like to do should be put on the list. Now let's divide it in 24 hours a day and see if we can do everything. Something is missing, isn't it? Do we need time to sleep? Eat? Do tasks? (Talk about it considering what each one would like to do, including you). Can we organize better? How did God organize himself?

**Trail map:**

Let's see what the Bible says: (fig.8.2,3). ***And when God had finished the work he had done on the seventh day, he rested on the seventh day of all his work, which he had done. And God blessed the seventh day, and sanctified it; because it rested at all the work that he had created and done.*** Genesis 2: 2-3. ***For in six days the Lord made the heavens and the earth, the sea and everything in them, and rested on the seventh day; therefore the Lord blessed the day of Saturday, and sanctified him.*** Ex 20:11. How many days did God work? And at the end of the week? Do we need rest time? When? Nights, holidays ... Should we rest from playing? What is rest for? The Word of God says there is time for everything. Let's read: (fig.8.4). ***Everything has its own time, and there is time for every purpose under heaven. There is a time to be born, and a time to die; time to plant, and time to pluck up what has been planted; Time to kill, and time to heal; a time to tear down, and a time to build; A time to cry, and a time to laugh; a time to mourn, and a time to dance; A time to scatter stones, and a time to gather stones; time to embrace, and time to withdraw from embracing; Time to seek, and time to lose; a time to keep, and a time to throw away; Time to tear, and time to sew; time to be silent, and time to speak; A time to love, and a time to hate; time of war, and time of peace.*** Ecclesiastes 3: 2-8. Each thing has its time. Are there things more important than others? How about putting on the agenda what is most important first? Then we will put the rest and make the selection. Don't forget time with God! (Set the agenda) Let's talk to God!

**Packing**

Prayer - Thank you God for giving us 24 hours a day. It

helps us to know how to use the time we have to do what is most important.

Verse to memorize 4

***Everything has its own time, and there is time for every purpose under heaven.***

Ecclesiastes 3:1. Mystery 4 - God's clock

* Who has this clock?

* Is its time the same as ours?

* How does it work?

* What happens when we do things in our time?

*Can we advance the time on that clock?
